WHOMSOEVER IT MAY CONCERN

We are pleased to acknowledge that the 2 days workshop conducted for our 12th Standard students on "HUMAN PERSONALITY DEVELOPMENT and PSYCHO-SEXUAL maturity was highly effective and transformative.

Our young students who are at the threshold of completing their schooling have expressed that they have gained comprehensive and quality knowledge and deeper awareness about various crucial issues pertaining to their development.

We appreciate the valuable service rendered by the Behavioral Trainers of MASTERS OF MIND training academy, Dr. A.J. EINSTEIN and Dr. M. ARUL SARAVANAN.

We wish all the best in their mission of empowering the youth for holistic development.
